## About Me

---

I'm Moh. Taufik Afandi, a third-year student majoring in Computer Engineering Studies at Diponegoro University. My current activity is to increase my knowledge about Full Stack Web Development using React Js as Front-end and Laravel Framework (PHP) as back-end. I've made some simple personal projects and have been a freelance web developer to create landing pages, company profiles, and web apps for a company.

## Education

---

### Diponegoro University (2019 - now)

*Majoring in Computer Engineering Studies – Current GPA 3.89 out of 4.00*

## Skills

---

- Reactjs (Front-end)
- Laravel (Back-end)
- Tailwind CSS
- Bootstrap CSS
- Wordpress
- UI Design
- MySQL as database
- Github
- Photoshop
- Visual Studio Code as code editor

## Work Experience

---

### **Creatifa Studio** / Part-time Worker as a Full-stack Web Developer

Mei 2021 – Now, Work From Home.

- Developed Creatifa Studio's company profile website using Wordpress
